

ADVANCED NURSE PRACTITIONER

(Full or part-time considered)

Hessle Grange Medical Practice is seeking enthusiastic advanced nurse practitioners to join our friendly and well organised practice team. Full or part-time applications will be considered.

We are located to the west of Hull in the picturesque village of Hessle within easy reach of excellent local public and private schools. We are close to Kingston-Upon-Hull city centre and within easy motorway access to the rest of Yorkshire and Lincolnshire.

PRACTICE PROFILE

We are currently a 5 partner GMS practice with a full complement of support staff; advanced nurse practitioners (clinical practitioners), practice nurses, healthcare assistants and administration staff with a patient list size of 12,500. We are actively involved in teaching medical students from the Hull and York Medical School. We are also an advanced training practice for student nurses.

We have a purpose built, well equipped main surgery plus two branch surgeries. The practice is fully computerised (SystemOne). We are actively involved in GP commissioning and are a member of the Yorkshire Health Partners (YHP) Federation.

The post holder will be an experienced independent autonomous practitioner who will provide first contact care for patients presenting with acute, non-acute and chronic medical conditions; undertaking clinical assessment, diagnosis and advanced decision making including prescribing and formulating a management plan or referral to another healthcare professional or service when appropriate.

Candidates for this role will hold an appropriate nurse practitioner and independent nurse prescriber qualification.

General practice and chronic disease management experience would be advantageous.

Salary and hours are negotiable dependent on experience plus the practice will make a contribution to your indemnity insurance & NMC fees equivalent to the number of hours worked for the practice.
