

Today's date \_\_\_\_\_

To the Practice Manager or Carers Champion at Hessle Grange Medical Practice

I'm writing to ask that you flag on my GP patient record that I am an unpaid carer.

I currently care for:

Name \_\_\_\_\_ Date of birth \_\_\_\_\_

My relationship to this person is \_\_\_\_\_

I understand that there are relevant SNOMED codes to record that I'm an unpaid carer on your systems, which is considered good practice by NHS England.

The purpose of this is to ensure that I'm called for any relevant vaccination programme or health information. Importantly, this also means that the health needs of the person mentioned above can be considered should anything happen to me.

Adult unpaid carers are within priority group 6 of the JCVI's (Joint Committee on Vaccination and Immunisation) vaccination list for COVID-19.

You can find the references to this on the GOV.UK website by searching for COVID-19 priority groups.

I can confirm that I am providing unpaid care for a disabled or older person whose welfare would be at risk if I was unable to provide that care. I would like to request that you add to my patient record that I am an unpaid carer.

Thank you.

Yours faithfully
